to tripod

Highlights

- Portable, compact 3-in-1 selfie stick with integrated tripod: Perfect for photos and filming, whether you're holding the camera in hand or shooting stationary.
- Detachable phone clip that can be used as a phone holder. The clip rotates 360° to adapt to portrait or landscape format.
- Detachable remote shutter with Bluetooth®-compatible connection for hands-free photography from up to 32 ft away.¹
- 7-stage telescopic rod, extending up to 4.32 ft for a wider field of view.
- Adjustable tilt bracket to find the perfect angle for your shots.
- Handle converts to a tripod.
- Includes a mount to attach sports cameras, digital cameras, light rings, magic arms and other devices compatible with 1/4" screws.
- Compatible with Android™ and iOS.

1. Wireless range calculation is based on an area free of obstacles and interference within line of sight between devices.
