

XTB-508

# BATTLESTASH

## GAMING BACKPACK

### Characteristics

- Two spacious main zip compartments.
- Five multifunctional accessory external pockets.
- Anti-theft pocket for your valuable items and three accessory internal organizers to accommodate your smartphone, pens, charging cables, flash drives, hard disks, peripherals and more.
- Well-padded laptop compartment to securely accommodate and strap a laptop of up to 17" and a tablet for safe transportation. A large mesh pocket gives additional room for a book, magazine, or file with your documents.
- The TSA-friendly, lay flat design of the laptop compartment allows it to open 180 degrees for better access, as well as for faster, tangle-free transit through airport security.
- The carry-on strap and the strong handle allow easier hauling with the rest of your luggage during a long trip.
- External USB charging port with built-in charging cable to plug in your own power bank and charge your smartphone and other mobile devices while walking.
- Breathable, ergonomic padded back panel with Airflow ventilation technology and adjustable shoulder straps that relieves stress on the back for better support and extra comfort.
- Two small lateral mesh pockets to comfortably carry quick-access essentials like a water bottle, travel coffee mug or umbrella.
- Water resistant.
